..... APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of the waters of an underground source as heretofore granted under Permit 17805, Certificate 6374, is issued subject to the terms and conditions imposed in said Permit 17805, Certificate 6374, and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 0.68 cubic feet per second, but not to exceed a seasonal duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before..... January 21, 1978

Proof of commencement of work shall be filed before..... February 21, 1978

Work must be prosecuted with reasonable diligence and be completed on or before..... January 21, 1979

Proof of completion of work shall be filed before..... February 21, 1979

Application of water to beneficial use shall be made on or before..... January 21, 1980

Proof of the application of water to beneficial use shall be filed on or before..... February 21, 1980

Map in support of proof of beneficial use shall be filed on or before..... February 21, 1980

Commencement of work filed..... MAR 17 1978
Completion of work filed..... MAR 17 1978
Proof of beneficial use filed..... 3-11-80
Cultural map filed.....
Certificate No. 12540 Issued OCT 03 1990
